## HOUGHTON HEIGHTS C

Houghton Heights C This small, sheltered but well appointed 1 bedroom apartment is set on the ground floor of the Houghton Heights building. The Famous Houghton Steps are just meters away, allowing quick access to Victoria Road and Camps Bay Beach. The cozy apartment is air-conditioned throughout. Recently renovated, the open plan kitchen is stylish with modern fittings. A quaint table aptly separates the kitchen from the sleeping area. The kitchen leads onto an enclosed balcony.

The large King size bed is to the left of the apartment entrance. Neutral shades and earth tones bring about a sense of serenity and calm, making this apartment a relaxing escape from the busy Camps bay beaches. The comfortably spacious en suite bathroom is partitioned by frosted panes of glass.

Houghton Heights will only bring about relaxation and enjoyment to one's holiday, and guests can enjoy the benefit of the apartment being within walking distance to the bars and restaurants of Camps Bay's promenade.

\*\*\* Please note that there is currently development work in the vicinity of Houghton Heights. This construction can be noisy or completely quiet (depending on the work being done that week), but generally the apartment is not impacted heavily. Building work only happens on week days between 9h00 and 17h00. If you arrive and find that you aren't happy we will move or refund you without any penalty. \*\*\*
