## LA FLEUR

La Fleur is a spacious 2 bedroom, 2 bathroom apartment in a complex overlooking the Camps Bay coastline. Custom made furniture, exquisite styling in rich shades of plum, natural beiges and crisp whites, sets this property apart from others.

A large day-bed positioned perfectly to soak up the cape sunshine is the perfect spot to relax. The master bedroom with en suite bathroom is positioned behind the living room and features ample cupboard space and plush furnishings. The second bedroom, with twin beds, has a dedicated bathroom with shower. The bedroom overlooks the Twelve Apostles, Lion's Head and the back of the Table Mountain cable station.

The apartment block shares a large communal pool and a braai (BBQ) area which has wonderful 360 degree views of both the mountains and the ocean.
