ROCKWELL

A stylish New York loft-style penthouse, with stunning 270 degree views: from the Waterfront and its working harbour to the iconic sandstone bulk of Table Mountain, there can be no doubt you are in the heart of one of the world's most beautiful cities.

Rockwell offers a glamorous yet serene retreat from the vibrant streets below, located right in the social heart of Cape Town: the trendy De Waterkant precinct. Take a stroll through its cobbled streets, past chi-chi pavement cafes, the city's best decor outlets, top restaurants and great nightlife options - all set against the charming backdrop of Cape Malay-influenced architecture.

All the city centre's top attractions - the Castle, Slave Lodge, Greenmarket Square, South African National Gallery and Company Gardens - are within walking distance; the Waterfront is a few minute's drive away. After a day exploring, what can be more perfect than to retreat to your glamorous penthouse, elevated high above the hubbub, and contemplate whether to head out or stay in as the skyline becomes a silhouette, and the city lights start to twinkle.
