

CLIFTON SPLENDOUR

Clifton Splendour is a unique and highly sought after luxury beach bungalow. This superlative beachside holiday villa offers 5 bedrooms, all with air-conditioning. A beach bungalow in Clifton that offers 5 bedrooms is very unusual. Coupled with this, Clifton Splendour boasts its own swimming pool, again a highly sought after facility unusual to find with beach bungalows.

Superbly positioned overlooking the white sands and crystal clear turquoise waters of Clifton Third Beach, you could not wish for a more special Cape Town accommodation than this. Private stairs from the pool deck of this lovely bungalow take you straight onto the beach itself. So spend your holiday tanning on your private deck, swimming in your pool or literally stepping out on the beach sand for a refreshing dip in the sea! Even in winter, Clifton Splendour would be the place to relax! The lounge offers a fireplace and sea views, what better spot to curl up with a good book and a glass of red wine!

Clifton Splendour is no basic beach bungalow either. It is an exclusive bungalow boasting top quality furnishings throughout, upmarket accommodation, luxurious finishes and a classy feel to its interiors. The main living room (with air-conditioning), and kitchen and dining areas are on the top floor, along with the master bedroom & en-suite bathroom - all of which boast beach & sea views. Downstairs is another lounge fully equipped with top of the range entertainment system, and three bedrooms, two which share a bathroom and the other is en-suite. All three of these bedrooms have stunning up close beach & ocean views! Bliss! The 5th bedroom is a compact bedroom accessed externally. For just that little bit more entertaining and relaxing, there is also a gorgeous pool lounge overlooks the pool deck and enjoys sea views.

Clifton is one of the most exclusive beachside locations of Cape Town. Where else are you protected from the prevailing summer winds other than Clifton? And Clifton Splendour is one of Cape Town's best beach bungalows. Book this Clifton holiday villa and you will have the vacation of a lifetime!
