

MEDBURN VIEWS PENTHOUSE

This stylish, incredibly spacious split-level Penthouse boasts an amazing view of the ocean and Lion's Head, has safe parking in an indoor garage with direct access via a key-operated lift, and an alarm system.

On the middle level of Medburn views is accessed via staircase or lift and features an open plan kitchen which overlooks the living areas. The ultra-modern kitchen boasts an array of mod-cons, including a microwave, coffee maker, washing machine, dishwasher and tumble dryer. The back door opens onto a modest walkway.

The spacious living and dining room open up onto a magnificent sea facing balcony with another private pool and built in BBQ/wood fired braai.

The three bedrooms are on the top level of this holiday home. The master and second bedroom are both sea facing, with balconies and en suite bathrooms. The third bedroom is on the mountain side of the property, has twin beds and also enjoys an en-suite bathroom.

The top floor landing adjoining the three rooms has been furnished as a chill out area with couch and foosball table. A private, mountain facing balcony leads off this area. This luxury vacation rental is ideal for the holiday maker searching for a relaxing and tranquil retreat.
