washing machine and dishwasher. Light and airy double master bedroom with sea view and ensuite plus two comfortable twin rooms with additional bathroom. Plenty of built-in storage available for longer stays.

Leisure

French doors lead onto a covered outdoor terrace with comfortable dining for 6 and a large gas-fired barbeque. This continues onto a 12 metre deck with spectacular sea and mountain views and relaxed and elegant seating for up to 8. Subtle down lighters in the outdoor dining and lounge areas provide for long lazy evenings well after the sun has set. Enjoy the sparkling 14 metre solar heated salt-chlorinated swimming pool (can be lit at night), beautiful sea and mountain views and the sheltered and private setting. Large and secluded terraced gardens including mature trees and shrubs, multiple lawn areas and indigenous plants. There are plenty of recliners on which to relax and soak up the sun. Peace found!

The cottage is situated on the same property as the main house but the owners do not occupy the main house while guests are in residence, so the entire grounds and facilities, (including full-sized trampoline!), are available for guest use.
